

Erosion Control Specialist City of Green Bay, Wisconsin

Are you dedicated to environmental protection and looking to make a meaningful impact in the community? We are seeking a skilled Erosion Control Specialist to take on an important role in implementing and enforcing our soil erosion and sediment control program. Use your expertise to help us maintain the health and sustainability of our natural resources while contributing to the growth and development of the City.

Qualifications:

- Associate's Degree or Bachelor's Degree in Natural Resources, Environmental Science, Civil Engineering or related field.
- 1-3 years' experience in environmental site inspection, plan review or construction field experience directly related to erosion and sediment control.
- Erosion and Sediment Control Certification or ability to obtain within twelve months of employment. Certification such as CPESC (Certified Professional in Erosion and Sediment Control) or equivalent.
- Valid driver's license and good driving record.

Hiring Range: \$67,954-\$69,950

Work Schedule: Monday-Friday (either 7:30-4:30, 7:30-4:00, 8:00 -4:30 or 8:00.-5:00). Enjoy an alternate summer schedule of Monday-Thursday, 7:30-5:00 and Friday, 7:30-11:30!

Apply online at www.greenbaywi.gov/jobs. Applications will be accepted until the position is filled.
